MADE IN ITALY

EVO COLLECTION

Un percorso tutto nuovo alla scoperta di innumerevoli soluzioni d'arredo pensate per le camere di bambini e ragazzi, un linguaggio fatto di fantasia e creatività, dove la materia incontra il colore, dove la flessibilità compositiva diventa valore aggiunto. Le estetiche rivelano un animo elegante dalla forte connotazione contemporanea. Ogni elemento si inserisce, con equilibrio, all'interno di un'idea progettuale estremamente pratica e funzionale.

A brand new journey to discover a multitude of furnishing solutions for kids' and children's bedrooms. A fantasy world speaking the language of creativity, where materials combine with colour and layout flexibility constitutes a major added value. Aesthetics reveals an elegant soul with contemporary connotations. Each component harmoniously integrates itself into practical, functional design ideas.

BENESSERE TOTALE

Stop alla proliferazione dei germi a contatto con la superficie del legno: Silver Defence elimina i principali microorganismi presenti negli ambienti domestici.

TOTAL WELLNESS

We want to stop the proliferation of germs in contact with wooden surfaces: the Silver Defence treatment inhibits the growth of the main microorganisms found in homes.

DESIGN

Una ricerca estetica al di là delle mode. Creazioni di una semplicità tutt'altro che scontata. Semplicità e design: un connubio di successo per durare nel tempo.

DESIGN

A search for beauty that surpasses fashions. The simplicity of these creations is anything but commonplace. Simplicity and design: an union of success to last in time.

ECOLOGIA

Materiali ecologici e ignifughi: vernici all'acqua e pannelli melaminici a bassa emissione di formaldeide.

ECOLOGY

Ecological and fire-repellent materials: water-based varnishes and melamine panels with low formaldehyde emissions.

SPAZIO

Visioni che permettono di gestire al meglio lo spazio. I volumi maggiori si spostano in alto per garantire funzionalità e praticità.

SPACE

Visions that allow you to manage space in the best possible way. The largest volumes are located on the top to guarantee functionality and easy-use.

COLORI E ABBINAMENTI

L'accostamento e la scelta di materiali diversi determinano l'estetica delle composizioni ma anche una differenziazione di prezzi. Il risultato è sempre coerente.

COLOURS AND COMBINATIONS

The combination and choice of different materials determine the aesthetics of the arrangement but also the differences in prices. The result is always consistent.

UNIVERSO COMPLEMENTI

Tanti complementi come letti, scrittoi, armadi e librerie determinano l'estrema personalizzazione degli spazi. Libertà di scegliere.

OUR UNIVERSE OF COMPLEMENTARY ITEMS

Lots of complementary items such as beds, desks, wardrobes and bookcases determine the extreme customization of spaces. Freedom of choice.

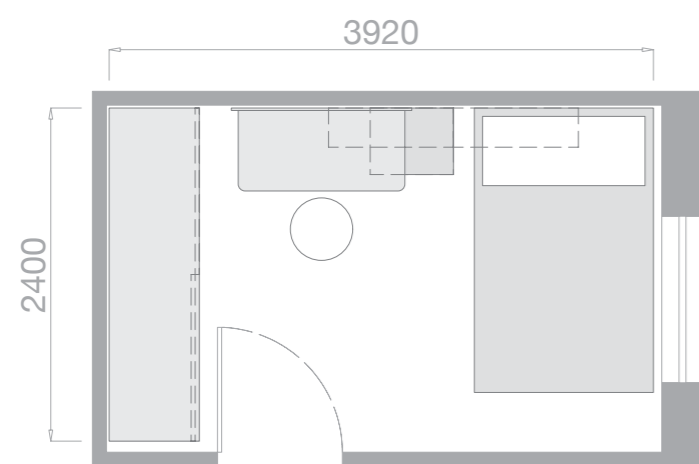

LETTI A
TERRA

*GROUND
BEDS*

Estetiche compatte si rafforzano attraverso il concetto di funzionalità. Spazi contenitivi ed isole operative si coniugano definendo lo spazio e valorizzandolo attraverso soluzioni complete e modulari.

Practicality enhances the strength of solid aesthetic features. Storage areas and functional islands get together, define space and stress it through complete modular solutions.
